NURSING CARE HOME

Luxury Garden Suites for later life living

We offer a range of new spacious Garden Suites within our nursing care home for those who would like the assurance of nursing care with a little more privacy and space. The beautifully appointed Garden Suites are set within the Hollies idyllic rural setting and offer a range of facilities and flexible services to suit your needs.

- Access to a range of facilities at the Hollies including meals, restaurants, laundry, outings, activities and more
- Including personal care and nursing care if required.

Enjoy the space and privacy of our one bedroom Floxglove Suite or our two bedroom Bluebell Suite both with generous living space including kitchen, dining, reception rooms and garden terrace.
